This manual covers both Windows and Mac versions. All screenshots here have been captured in Windows 10, however, the same operating procedure can be used on both Windows and Mac OS.

1. Installing Software (Windows only)

- (1) On your computer, double-click Exam_Mode_Unlocker_Ver.1.00.exe.
 - When the dialog box shown below appears at the start of installation, click [Yes].

• The dialog box for language selection is displayed.

(2) Select your language, and click [OK].

(3) Click [Next].

- The end user license agreement (EULA) appears.
- The EULA is displayed in the language selected in (2).
